Subject: Pilgrim is like a sword of Damocles in our lives

Dear Sir,

I support the APCC, and would go further. Please do all you can to keep Pilgrim closed in perpetuity.

Patricia Gadsby

Downwind in Woods Hole

I fully support the comments submitted by the Association to Preserve Cape Cod (APCC) concerning the NPDES draft permit for the Pilgrim Nuclear Power Station. I am very concerned that the draft NPDES permit violates the Clean Water Act.
